ARTICLE 1 - GRANT OF LICENCE**1.1 SCOPE OF THE LICENCE**

- 1.1.1. This Licence authorizes the Licensee
- (a) To provide the Licensed Services, and
 - (b) To establish, maintain and operate the Licensed Telecommunication System.
- 1.1.2. The Licensee shall provide the following Mandatory Services:
- (a) Long Distance And International Public Voice Telephone Services, and
 - (b) Such other Telecommunication Services as the Authority may, by Regulation, require.
- 1.1.3. This Licence does not authorize the following:
- (a) The provision of Basic Public Telephone Access Service,
 - (b) Distribution of radio or television programming by means of a cable television transmission system,
 - (c) Broadcasting of radio or television programming,
 - (d) Mobile Communication Service,
 - (e) Limited Mobility Communication Service,
 - (f) Such other activities or Telecommunication Services as the Authority may, by Regulation, prohibit.
 - (g) The establishment, maintenance or operation of a terrestrial microwave facility linking Azad Jammu & Kashmir or/and Northern Area with another country except Pakistan, including without limitation a microwave of fibre optic cable transmission facility linking Azad Jammu & Kashmir or/and Northern Areas without prior approval of the Authority, except that, for greater certainty, the licensee is permitted to establish, maintain satellite transmission facility linking Azad Jammu & Kashmir and Northern Areas with and enabling connectivity with multiple countries, and
 - (h) Such other activities or telecommunication services as the Authority may, by Regulation, prohibit.
- 1.1.4. The Licensee shall not provide any Telecommunication Service or install or operate any Telecommunication System that is not authorized in this Licence, except pursuant to a separate license or other proper authorization from the Authority.

- 1.1.5. The Licensee shall notify the Authority at the time that the Licensee begins to offer a new category of Licensed Services not previously offered by the Licensee. In its notice, the Licensee shall describe the new category of Licensed Services and the expected date that they will begin to be offered commercially by the Licensee.
- 1.1.6. Upon being informed by the Authority that an Operator's licence from the Authority to provide a Telecommunication Service or to establish, maintain and operate a Telecommunication System, is suspended or terminated, the Licensee shall as promptly as practical in the circumstances, disconnect its Telecommunication System from the Telecommunication System of that Operator, and discontinue using the Telecommunication Service of that Operator, until such time as the Authority informs the Licensee that the Operator's licence from the Authority is restored or renewed.
- 1.1.7. For greater certainty, a licensee that implements carrier pre-selection of call-by-call routing with SCO is authorized under this license to provide public voice telephone services that, if such services were provided by SCO, would constitute NWD calls as specified in SCO's call routing tables. An NWD call is, in general, a domestic call to a geographic phone number where the origin and destination of the call are not in the same Local Calling Area.
- 1.1.8. The licensee is not authorized under this license to directly connect its transmission facility to the terminal equipment at a customer location in order to provide the customer with Long distance and International Public Voice Telephone Service. However, the licensee is authorized under this license to directly connect the licensee's transmission facility with terminal equipment at a customer's location in Azad Jammu & Kashmir and Northern Areas and another location of the customer that is located (a) more than 15 kilometres from the first location, (b) in a different Region from the first location, or (c) outside Azad Jammu & Kashmir and Northern Areas. For greater certainty,, the licensee shall not authorize or permit a customer to use, whether directly or indirectly, a Private Circuit to access the Public Switched Network inside or outside Azad Jammu & Kashmir and Northern Areas, unless prior approval of the Authority is obtained.
- 1.1.9. For greater certainty, where the licensee provides prepaid Long distance and International Voice Telephone Services that are accessed by the customer dialling a non-geographic number, the licensee may terminate the call on behalf of the customer at any location in Azad Jammu & Kashmir and Northern Areas.
- 1.1.10. Notwithstanding section 1.1.3(d) the licensee is permitted to provide GMPCS service, provided that the licensee first obtains authorization from the Authority to provide such GMPCS services, and provided further that the licensee complies with such terms and conditions as the Authority may decide.

1.2 EFFECTIVE DATE AND TERM OF THE LICENCE

- 1.2.1. This Licence shall come into force on the Effective Date and shall be valid for a term of 20 (twenty) years.

- 1.2.2. If the Licensee wishes to renew the Licence at the expiration of the initial term, it shall submit to the Authority a written request to renew the License at least 30 months prior to the expiration of the initial term.
- 1.2.3. Within 3 months after the receipt of the Licensee's notice pursuant to section 1.2.2, the Authority shall either
 - (a) Renew the Licence on such terms and conditions as are consistent with the policy of the Azad Jammu and Kashmir Council and Administration of Northern Areas at that time, to come into effect at the conclusion of the initial term, or
 - (b) Give written notice to the Licensee stating that the Authority may not renew the Licence and provide reasons thereof, which may include the Licensee's repeated, grave or continuing violations of the terms and conditions of this Licence, the Act, Rules or Regulations during the initial term of the Licence. The Licensee shall be given 60 days to make written representations in response to the Authority's show cause notice. Within 30 days after the conclusion of such 60 day period, the Authority shall hold a hearing at which the Licensee may make representations in response the Authority's show cause notice. The Licensee may, as part of its representations, indicate the further licence conditions it is prepared to accept to reduce the likelihood of continued or further violations of the terms and conditions of this Licence, the Act, Rules or Regulations. Following such hearing, the Authority shall, within 15 days, give its determination either
 - (i) That the Authority has determined not to renew the Licence at the expiration of the initial term, and provide its reasons for making such a determination, or
 - (ii) To renew the Licence on such terms and conditions as are consistent with the policy of the Azad Jammu and Kashmir Council and Administration of Northern Areas at that time, to come into effect at the conclusion of the initial term, or
 - (iii) To renew the Licence on such terms and conditions as are consistent with the policy of Azad Jammu and Kashmir Council and Administration of Northern Areas at that time, to come into effect at the conclusion of the initial term, and including such additional terms as the Authority considers appropriate to reduce the likelihood of continued or further violations of the terms and conditions of this Licence, the Act, Rules or Regulations.
- 1.2.4. Within 30 days after receiving notice of the Authority's determination to renew the Licence pursuant to section 1.2.3(b) (iii), the Licensee shall notify the Authority either accepting or rejecting the renewal. If the Licensee fails to notify the Authority within the 30 day period, or if the Licensee notifies the Authority rejecting the renewal, this

Licence shall expire at the conclusion of the initial term. If the Licensee notifies the Authority accepting the renewal, this Licence shall expire at the conclusion of the initial term and the renewed licence shall take effect thereafter.

ARTICLE 2 - RIGHTS OF THE LICENSEE

2.1 NUMBERS AND SHORT CODES

- 2.1.1. The Licensee has the right to request non-geographic numbers, as well as applicable short codes, in accordance with the national numbering plan developed by the Authority, for use in the provision of the Licensed Services in Azad Jammu & Kashmir and Northern Areas.

2.2 INTERNATIONAL FACILITIES

- 2.2.1. The Licensee has the right to obtain access to submarine cable systems, subject to reaching agreement with the operators of such systems, and to install earth stations for use with space station transmission facilities orbiting the earth space, subject to reaching agreement with the operators of such facilities.

2.3 NO IMMEDIATE REQUIREMENTS TO PROVIDE CERTAIN SERVICES

- 2.3.1. If the Authority determines, pursuant to the Rules, that a Licensee possesses SMP in a relevant market, the Licensee shall comply with orders of the Authority that are intended to promote competition in respect of that relevant market or markets ancillary thereto, including without limitation orders to provide access to its ducts, poles, towers, space and collocation in switching centres or other similar facilities for use by other Operators.

2.4 NUMBER PORTABILITY

- 2.4.1. The Licensee is not required to make available number portability (for non-geographic numbers) to its customers or other Operators unless and until the Authority, by Regulation, so requires.

ARTICLE 3 - OBLIGATIONS OF THE LICENSEE

3.1 COMPLIANCE WITH LAW

- 3.1.1. This Licence is subject to the terms and conditions contained herein and to the Act, Rules and Regulations respectively. In the event of any conflict or inconsistency between the provisions of this Licence, and the provisions of the Act, Rules or Regulations, the provisions of the Act, Rules and Regulations shall prevail.
- 3.1.2. The Licensee shall establish and operate its Telecommunication System to provide the Licensed Services, under the Act and in compliance with the laws of Azad Jammu & Kashmir and Northern areas and Pakistan..

3.1.3. The Licensee shall at all times co-operate with the Authority and its authorized representatives in the exercise of the powers, functions and responsibilities assigned to the Authority under the Act. The Licensee shall comply with all orders, determinations, directions and decisions of the Authority.

3.2 NETWORK ROLL-OUT

3.2.1. The Licensee shall establish at least one Network Connection Point in any one of the three Regions (Mirpur, Muzaffarabad & Northern Areas) and commence the provision of Mandatory Services in that Region within twelve (12) months from the Effective Date. Thereafter, the licensee shall maintain Network connection points with appropriate functionality and adequate capacity in the operational region for the term of this license.

3.2.2. The licensee shall establish at least one Network connection point in each of two regions (Mirpur, Muzaffarabad & Northern Areas) and commence the provision of Mandatory services in these regions within twenty four (24) months from the Effective Date. Thereafter, the licensee shall maintain Network connection points with appropriate functionality and adequate capacity in the operational region for the term of this license.

3.2.3. The Licensee shall establish Network Connection Points in all the three (Mirpur, Muzaffarabad & Northern Areas) Regions and commence the provision of Mandatory Services in these Regions within thirty six (36) months from the Effective Date. Thereafter, the licensee shall maintain Network connection points with appropriate functionality and adequate capacity in all the regions for the term of this license.

3.2.4. By not later than the deadline indicated below, the Licensee shall own, as part of its Telecommunication System, the following proportion of the transmission facilities located in Azad Jammu & Kashmir and Northern Areas that connect Licensee's switching offices in Azad Jammu & Kashmir and Northern Areas to the Network Connection Points referred to in sections 3.2.1, 3.2.2 and 3.2.3.

3.2.5.

Deadline (months from Effective Date)	Minimal ownership
12	10%
24	30%
36	50%

3.2.5. In performing the calculations to determine compliance with the requirements of section 3.2.3, the following factors shall apply:

- (a) A lease of transmission facilities from another party or a lease of dedicated transmission capacity on the transmission facilities of another party shall be considered equivalent to ownership if the lease is five years or more.
- (b) Only transmission facilities between Licensee switching offices, and between licensee switching offices and the Network Connection Points referred to in sections 3.2.1,3.2.2 and 3.2.3 shall be considered.
- (c) Transmission facilities shall be measured in 2Mbit/s X Km by multiplying the number of kilometres of each circuit by the number of kilobits/second of transmission capacity of the circuit, as installed by the Licensee at the time that the measurement takes place.
- (d) Dark fibre transmission capacity shall be measured by determining the maximum potential transmission capacity using commercially widely used terminating equipment. Dark fibre transmission capacity shall only be considered to a maximum of 50% of the transmission capacity of all of the Licensee's transmission facilities.
- (e) The calculation shall be performed during the last month of the relevant time period.

3.3 UNIVERSAL SERVICE FUND CONTRIBUTION

- 3.3.1. The Licensee shall contribute to the Universal Service Fund in an amount calculated on the basis of 2% (or such lesser amount as determined by the Rules) of the Licensee's annual gross revenue from Licensed Services for the most recently completed Financial Year of the Licensee minus inter-operator payments and related PTA/FAB mandated payments. However initial license fee and initial spectrum fee shall not be deducted from the gross revenue.

3.4 ALTERATION OF NETWORK

- 3.4.1. The Licensee shall, within such reasonable time and in such manner as may be directed by the Authority, and at its own expense, alter the course, depth, position or mode of attachment of any apparatus forming part of its Telecommunication System.

ARTICLE 4 - FEES

4.1 PAYMENT OF FEES

- 4.1.1. The Licensee shall pay the following initial fees to the Authority prior to the Effective Date:
 - (a) As initial licence fees, US \$ 20000 or equivalent Pak Rupees and
 - (b) As initial spectrum fees, the amount specified in Appendix 1 annexed hereto.

4.1.2. The Licensee shall pay the following annual regulatory fees to the Authority:

- (a) Calculated on the basis of 0.5% (or such lesser amount as the Authority may, by Regulations, determine) of the Licensee's annual gross revenue from Licensed Services for the most recently completed Financial Year of the Licensee minus inter-operator payments and related PTA/FAB mandated payments. However initial license fee and initial spectrum fee shall not be deducted from the gross revenue.
- (b) The amount of the annual fees referred to in Appendix 1 annexed hereto, and
- (c) For each number allocated to the Licensee at end of the Licensee's Financial Year, the Licensee shall pay the following amount or the amount determined by the Authority through Regulation from time to time.

Number Category	Annual Fee
Seven (or higher) digit number (including Free phone Service and Premium Rate Service numbers)	Rs 0.50
Six digit number	Rs 5.00
Five digit number	Rs 50.00
Four digit number	Rs 500.00
Three digit number and short codes	Rs 5,000.00

4.1.3. In addition to the fees payable hereunder, the Licensee shall pay to the Authority all fees required to be paid under the Act, Rules and Regulations including, without limitation, under the Access Promotion Rules, 2004.

4.2 GENERAL CONDITIONS CONCERNING FEES

4.2.1. The Licensee shall pay all annual fees to the Authority and make contributions to the Funds within 120 days of the end of the Financial Year to which such fees relate.

4.2.2. The Licensee shall make USF contribution within 120 days of the end of the Financial Year to which such contributions relate.

4.2.3. In addition to any other remedies available to the Authority, late payment of fees shall incur an additional fee calculated at the rate of 2% per month on the outstanding amount, for each month or part thereof from the due date until paid.

- 4.2.4. The Licensee shall annually submit to the Authority audited financial statements in support of its calculations of annual fees and contributions payable pursuant to this Article 4. The Authority shall have the right to audit such statements at any time.

ARTICLE 5 - RADIO FREQUENCY SPECTRUM

5.1 RADIO FREQUENCY SPECTRUM ASSIGNED TO THE LICENSEE

- 5.1.1. From the Effective Date, the radio frequency spectrum described in Appendix 1 is assigned to the Licensee. In relation to the radio frequency spectrum so assigned to the Licensee, the Licensee shall comply with the terms and conditions of this Licence, and any technical parameters, terms and conditions appearing in Appendix 1.
- 5.1.2. Notwithstanding section 1.2, the assignment of radio frequency spectrum to the Licensee shall terminate upon the expiry of a period of 20 years from the Effective Date, unless earlier terminated pursuant to this Licence or pursuant to the requirements of law.
- 5.1.3. Upon the expiry of the period of 20 years referred to in section 5.1.2, the assignment of radio frequency spectrum to the Licensee may be extended for a period of time, and on such terms and conditions, as are consistent with the policy of the Federal Government at that time. However, neither the Board nor the Authority shall be under an obligation to effect such an extension.
- 5.1.4. Upon termination of the assignment to the Licensee of radio frequency spectrum, the Licensee shall cease using any apparatus or device that emits or receives any radio communication in the band of that radio frequency spectrum, and shall cause its customers to discontinue using any such apparatus or device.

5.2 USE OF SPECTRUM

- 5.2.1. The Licensee shall comply with the following terms and conditions relating to radio frequency spectrum assigned to the Licensee:
- (a) The Licensee shall report to the Board such information as the Board may require concerning the assigned radio frequency spectrum and its use.
 - (b) The Licensee shall only use the assigned radio frequency spectrum in its own operations, and it shall not lease, sub-licence, allocate, assign or otherwise make available the use of the assigned radio frequency spectrum to another Operator.
 - (c) If, in the opinion of the Board, the Licensee is not efficiently using the full capacity of the assigned radio frequency spectrum, the Licensee shall, upon request of the Board, share use of assigned radio frequency spectrum with one or more other Operators designated by the Board on terms and conditions as the Board may designate. Where the assignment of radio frequency spectrum to the Licensee has occurred pursuant to an auction in which the Licensee paid

in respect of initial fees hereunder and referred to in Appendix 1, more than the minimum reserved amount for the right to the assignment of the radio frequency spectrum, the Licensee will not be required to comply with the foregoing provision of this clause (c) during an initial term of 10 (ten) years after the assignment of the radio frequency spectrum to Licensee.

- (d) The Board shall have the right, exercisable at any time, to terminate the assignment to the Licensee of the radio frequency spectrum described in Appendix 1 if the Board determines that the Licensee is not complying with the requirements applicable to such radio frequency spectrum and which are set forth in section 1.2 and 1.3 of Appendix 2. Upon such termination by the Board, any rights granted to the Licensee hereunder to use the radio frequency spectrum shall also terminate.
- (e) The Licensee shall use assigned radio frequency spectrum in compliance with all national, regional, intergovernmental and international arrangements in effect from time to time that are designed to reduce radio interference among service providers.
- (f) At all times, the Licensee shall implement all commercially reasonable measures to optimise the efficiency and effectiveness of its use of the radio frequency spectrum assigned to it.

5.3 REASSIGNMENT OF FREQUENCIES

5.3.1. The Board may, in order to comply with international radio frequency spectrum co ordination requirements, ITU assignments or reassignments, or generally in the course of regulating the radio frequency spectrum in the best interests of Azad Jammu & Kashmir and Northern Areas, reassign radio frequency spectrum assigned to the Licensee or require the Licensee to surrender the assignment of radio frequency spectrum assigned to it and which is not reasonably required for the continued operation of the Licensed Services. In such cases, the Licensee shall be entitled to consult with the Board before any such action is taken and the Licensee shall be entitled to reasonable time and, where applicable, the assignment of appropriate alternative radio frequency spectrum, to permit the Licensee to carry on its business without unreasonable costs or disruptions.

5.3.2. If, pursuant to section 5.3.1, the Board requires that the Licensee change the radio frequency spectrum assigned to it, or surrender its rights in respect of radio frequency spectrum assigned to it, and the Board re-assigns the radio frequency spectrum to another Operator within three years after the date established by the Board as the last date that the Licensee may use any apparatus or device that emits or receives any radio communication in the band of the radio frequency spectrum, the Board shall require the other Operator to compensate the Licensee for

- (a) its reasonable costs incurred as a result of such change or surrender, as determined by the Board, and

- (b) for radio frequency spectrum referred to in Appendix 1, the fraction of the initial fees referred to in Appendix 1 in respect of the re-assigned radio frequency spectrum, where the fraction is calculated by the following formula: $(20 - TT) / 20$, where TT is the period of time, expressed in years, between the Effective Date and the date established by the Authority as the last date on which the Licensee may use any apparatus or device that emits or receives any radio communication in the band of the radio frequency spectrum.

5.3.3. At such time as the Licensee changes or surrenders radio frequency spectrum, or is required by the Board to do so, pursuant to this section 5.3, the assignment by the Board of the radio frequency spectrum to the Licensee shall terminate. Upon such termination by the Board, any rights granted to the Licensee hereunder to use the radio frequency spectrum shall also terminate.

5.4 RADIO APPARATUS

5.4.1. The Licensee shall operate radio communication apparatus and devices in compliance with all requirements of the Board pertaining to emissions, frequencies of operation, technical characteristics, power and aerial characteristics.

ARTICLE 6 - GENERAL CONDITIONS

6.1 OPERATION OF LICENSED SERVICES

6.1.1. The Licensee shall ensure that its Telecommunication System and the Licensed Services do not cause any damage to, or interference with, any Telecommunication System or Telecommunications Services of any other Operator.

6.1.2. Licensee shall conduct its operations and shall establish its Telecommunication System in a manner so that it is not a safety hazard and is not in contravention of any law, rule or regulation.

6.2 DISCONTINUATION OF SERVICES

6.2.1. The Licensee shall not discontinue providing a category of Licensed Services unless (a) the Licensee gives the Authority and affected customers at least 90 days prior written notice of such discontinuation, and (b) Authority's prior written approval to such discontinuation is obtained.

6.3 MONITORING

6.3.1. The Licensee shall provide, at its own cost, suitable equipment at premises designated by the Authority, in order to monitor the communications for the purpose of national security; measure and record traffic; call detail records; and quality of service in a manner specified by the Authority. The Licensee shall provide the Authority/ concerned agencies with access to such equipment, and the information generated by such equipment.

6.4 INFORMATION

- 6.4.1. The Licensee shall furnish to the Authority such information as the Authority may request regarding the Licensee's network plan, network and terminal standards, links utilized, financial information, costs and accounts or any such other information as the Authority may from time to time require in connection with its responsibilities.
- 6.4.2. The Licensee shall maintain such books and records as the Authority may require. The Authority shall give the licensee a reasonable period of time, not to exceed 120 days, to implement appropriate routines and systems to comply with any such requirements imposed by the Authority. Upon request by the Authority, the Licensee shall make its books and records available for inspection by the Authority.
- 6.4.3. The Licensee shall maintain financial records and books of accounts in accordance with the laws of Azad Jammu & Kashmir and Northern areas . The Licensee shall submit audited (if available) or certified financial statements, including at a minimum statements of profit and loss and assets and liabilities, to the Authority within 120 days of the closing date of Financial Year of the Licensee.
- 6.4.4. The Authority shall take reasonable steps to maintain the confidentiality of information in writing that is disclosed to it by the Licensee and which is clearly indicated as confidential, except that the Authority may disclose information where the Authority determines that the public interest in disclosure outweighs the Licensee's interest in maintaining the confidentiality of such information.

6.5 QUALITY OF SERVICE

- 6.5.1. The Licensee shall at all times meet or exceed the quality of service standards described in Appendix 2 and such other quality of service standards as the Authority may, by Regulation, require. The Licensee shall maintain records of its performance in meeting these quality of service standards, and shall submit them to the Authority on a monthly basis in such format as the Authority may require. The Licensee shall maintain supporting records for inspection and technical audit as and when required by the Authority. The Licensee shall maintain all such records for a period of three years.
- 6.5.2. The Authority may carry out tests on the quality of the Licensed Services and the Licensee's Telecommunication System and the Licensee shall extend full co-operation and assistance for the purpose including provision of test instruments and equipment.

6.6 INSPECTION

- 6.6.1. The Licensee shall allow inspection of any premises by an authorized representative of the Authority or the Board at any time and furnish to the representative such information as may be required by such representative.

6.7 NATIONAL SECURITY

- 6.7.1 The Licensee shall comply with the national security and other requirements of section 54 of the Act and any other national security requirements under the law of Azad Jammu & Kashmir and Northern Areas and that of Pakistan.
- 6.7.2 It shall be open to the Authority to restrict the Licensee from operating in any sensitive area defined by the Federal Government of Pakistan from the national security angle.
- 6.7.2 The Licensee shall not transfer the following to any person or place outside Pakistan including AJ&K, NA:-
- (a) Any accounting information relating to subscriber (except for billing); and
 - (b) User information/ data.
- 6.7.3 No local/long distance traffic (mobile and fixed line) destined for Pakistan and AJ&K and Northern Areas shall be hauled outside Pakistan and AJ&K and NAs.
- 6.7.4 No remote access shall be provided to any person/place outside Pakistan including AJ&K and NAs for any maintenance/repairs/databases/facility.
- 6.7.5 The transceivers shall be installed in such a way that signal strength of the signal fades away along the Line of Control (LoC) and no communication takes place across the LoC.
- 6.7.6 No ciphering equipment or software shall be used by the service provider or user without prior approval of the Authority.
- 6.7.7 All equipment shall be "Legal Interception (LI)" compliant.

6.8 CALL RECORDS

- 6.8.1. The Licensee shall maintain call records including called and calling numbers, date, duration and time, with regard to the communications made on its Telecommunication System for a period of at least one year for scrutiny by or as directed by the Authority or required by security agencies under law.

6.9 NETWORK STANDARDS

- 6.9.1. The Licensee shall use any type of network equipment, including circuit and/or packet switches, that meets the relevant ITU or other telecommunication standards recognized by the Authority.
- 6.9.2. The Licensee shall ensure that its network is at all times interoperable and interconnect able with the networks of other Operators. If the Licensee implements any new equipment or protocols in its network, the Licensee shall bear the cost of any

modifications to its network to maintain such interoperability and interconnectibility with the networks of other Operators.

6.10 TYPE APPROVAL OF TERMINAL EQUIPMENT

- 6.10.1. The Licensee shall not install, or permit the installation of, any Terminal Equipment in its Telecommunication System which is not (a) type approved, or otherwise permitted by the Authority, or (b) type approved by a recognized telecommunications equipment type approval agency or a recognized telecommunications equipment testing laboratory in a member country of the Organization of Economic Cooperation and Development (OECD). The Licensee shall not install or connect, or permit the installation or connection of, any Terminal Equipment or type of Terminal Equipment prohibited by the Authority.

6.11 COMMENCEMENT CERTIFICATE

- 6.11.1. The Licensee shall not provide any Licensed Services to customers, or accept any payment from customers in respect of Licensed Services to be provided by the Licensee, until the Licensee has obtained from the Authority a commencement certificate evidencing that the Authority is satisfied that the Licensee has established its Telecommunication System, and is able to provide the Licensed Services including Mandatory Services, in accordance with the description in the Licensee's application for this Licence previously submitted to the Authority and at a level of quality and reliability that is consistent with international industry best practices.
- 6.11.2. The Licensee shall give 30 days prior written notice to the Authority of the date on which the Licensee intends to commence providing Mandatory Services to customers. The Licensee shall cooperate with the Authority in its investigation of its Telecommunication System and the Licensed Services in connection with the issuance by the Authority of a commencement certificate.

6.12 INTERNATIONAL TELEPHONY SERVICE

- 6.12.1. The Licensee shall not, without the prior approval of the Authority, give effect to any agreement or arrangement respecting International Telephony Service, whether oral or written, with a service provider that originates or terminates, or arranges for the origination or termination of, International Telephony Service outside of Azad Jammu & Kashmir and Northern Areas.
